1. Apply Leave

EnterpriseCorp supports a healthy work-life balance for our hybrid workforce. All leaves must be applied via the Employee Portal.

Steps to Apply for Leave:

1. Log in to the **Employee Portal** using your SSO credentials.
2. Navigate to the **HR & Benefits** section in the top menu.
3. Click on **Leave Management System (LMS)**.
4. Select **Apply New Leave**.
5. Choose the appropriate leave type (Annual, Sick, Casual, or Maternity/Paternity).
6. Specify the start and end dates. For half-days, check the 'Partial Day' box.
7. Add a brief reason and submit for managerial approval.

Enquiry Questions:

Q: What happens if my manager is currently on leave?

A: The LMS is designed to automatically route your request to your skip-level manager or an assigned proxy if your primary manager has activated their out-of-office delegation.

Q: Can I apply for sick leave after I have already taken it?

A: Yes, unexpected illnesses are accommodated. You must apply for retroactive sick leave within 48 hours of your return to work. Medical certificates are required for absences exceeding 3 consecutive days.

2. Check Leave Balance

Tracking your time off is essential for managing your personal time effectively across our 8 operating countries.

Steps to Check Leave Balance:

1. Log in to the **Employee Portal**.
2. Navigate to **HR & Benefits > Leave Management System (LMS)**.
3. Click on the **My Balances** dashboard widget.
4. Here you can view accrued, utilized, and remaining leaves categorized by type.

Enquiry Questions:

Q: When do annual leaves refresh?

A: Annual leave balances are refreshed at the beginning of the fiscal year (January 1st) for all global entities, regardless of your local region.

Q: Why is my accrued balance lower than expected?

A: Leave is accrued on a pro-rata basis monthly. If you are a new joiner or recently transitioned to a part-time contract, your accrual rate adjusts automatically. Please open a ticket with the Internal Helpdesk if you suspect an error.

3. Holiday Calendar

Because EnterpriseCorp operates across multiple regions, we maintain localized holiday calendars for all employees.

Steps to Access the Holiday Calendar:

1. Access the **Employee Portal**.
2. Click on the **Global Resources** tab.
3. Select **Holiday Calendars**.
4. Choose your registered country or business unit from the dropdown menu to view specific public holidays.

Enquiry Questions:

Q: As a hybrid worker, which holiday calendar do I follow?

A: You follow the holiday calendar of the country where your primary employment contract is registered, regardless of where you might be temporarily working remotely.

Q: Can I swap a local public holiday for a cultural holiday of my choice?

A: Yes! EnterpriseCorp offers up to 2 "Floating Holidays" per year. You can opt to work on a regional public holiday and take another day off for personal cultural or religious observances by selecting "Floating Holiday" in the LMS.
